Dear Parent

We are thrilled to invite your child to our exciting 'pasta chef classes' at the Remo's Pasta Factory in Mount Edgecombe.

Our current classes are every Saturday and Sunday and run for a half hour, giving you the chance to unwind and catch up with friends over a coffee or lunch whilst your little one attends a fun, educational class.

Rest assured your child is in very good hands. Our private classes are run by Tyler Jaimeson, a professional teacher, who is a natural with children. Classes will be for children aged 3 years and older with a maximum of ten kiddies per class, learning the art of Pizza and Pasta making.

Learning the art of Pizza Chef's

Children will be taught the importance of good hygiene in the kitchen with the help of a fun song as well as a little about Italy, pizza making and our Italian Pasta Chef Luigi.

Each child will roll out their own pizza dough, creating their very own gourmet handmade pizza with a selection of toppings (pineapple, ham, mozzarella cheese, mushroom and Mamma's original real tomato sauce.) Their pizza will be baked in our wood fire oven and can be taken home or eaten in the restaurant with Mom and Dad. Whilst pizzas are baking, the children will colour in, creating their own pizza artwork. Each child will receive a special certificate at the end of class, awarding him or her the honoree status of Remo's Pizza Chef.

Learning the art of Pasta Making

The kiddies will be taught the importance of good hygiene in the kitchen through song as well as a little about Italy, pasta making and our Italian Pasta Chef Luigi.

Our Pasta Chef will roll out sheets of pasta and each child, using their special pasta cutter, will cut their own pasta ribbons, creating their very own handmade fresh tagliatelle to take home and cook with mom. The children will watch as our Pasta Chef demonstrates how to cook Mamma's Napoletana Pasta to al dente perfection. Whilst their bowls of pasta are made, the children will colour in, creating their own pasta artwork. Each child will receive a special certificate at the end of class, awarding him or her the honoree status of Remo's Pasta Chef.

We ask that a parent or guardian be present at the Flanders Mall and reachable by phone whilst your child is in class and that once class is over, your child be collected promptly from Chef Tyler.

Classes are R135 and you will receive confirmation of your booking on proof of payment.

We encourage your child to bring along their personal pasta chef kit bag to classes and to use it at home in the kitchen with mum. In our culture, cooking is an integral part of Italian life and brings family and friends closer together.
